- **Steamed & flaked grains.**
- **Ideal for horses in intense training.**
- **BioPAK** protected live yeast, containing both Pre & Probiotics.
- **For a healthier gut & better grain utilization.**
- **Will improve microflora, reducing lactic acid in the caecum.**
- **Better detoxification & use of proteins.**

## Eureka Bulk Up

Eureka Bulk Up is specifically designed to provide your horse with the nutritional requirements needed on a daily basis. Eureka Bulk Up has been formulated to aid in putting condition on your horse & maintaining their weight, whether in work or resting. With both pre- & pro biotics to increase the microflora balance to help create a stable & healthier gut for better digestion & feed utilisation. Eureka Bulk Up is a complete full feed that is designed to be fed along with hay & pasture without need to add anything else with it.

## Ingredients

Lucerne & Wheaten, Mineral & Vitamin pellet, Steam & Flaked Barley & Lupins, Molofos, Salt, Limestone powder, Magnesium Oxide, Potassium Chloride, Di-Calcium Phosphate, Canola Oil, SCF Mineral & Vitamin Premix, **BioPAK** Active Yeast (Pre-Biotic & Pro-Biotic).

## Feeding Guide

- Introduce Eureka Bulk Up gradually over 7 days with your current feed/s.
- Remember to match feed intake with workload.
- Reduce amount of Eureka Bulk Up on days off for those horses in work.
- Ensure horses are fed adequate roughage (at least 5kg or 1% of body weight per day).
- Make sure your horse has access to fresh clean water.
- Ensure to monitor pasture conditions of your paddocks & adjust feeding accordingly.

Body Weight	Guide Amount of Eureka Bulk Up Per Day	
300-400kg Horse	Maintenance Light Work	3-4kg per day 4-5kg per day
500-600kg Horse	Maintenance Light Work	5-6kg per day 6-7kg per day
