Breeding Complete

Breeding Complete is a complete feed for growing and breeding stock.

SCF

Eureka Breeding Complete

Breeding Complete is a complete feed for growing and breeding stock. Breeding Complete, as the name states can be fed as a complete feed where no additional feed is required or added to additional roughages such as pasture, chaff and or hay. Breeding Complete contains a high fibre content which is ideal in drought conditions when hay, pasture and chaff is expensive and hard to source. Breeding Complete provides all the nutrients to ensure your horses performs at its best.

Ingredients

Lucerne and Oaten Chaff, Steam Flaked Oats, Barley, Maize and Lupins, Sunflower Seeds, Calcium Carbonate, Di Calcium Phosphate, Potassium Chloride, Magnesium Oxide, Salt, Mollogold, Omega enriched vegetable Oil, SCF Vitamin and Mineral Premix, Live Yeast Cultures, Fructoogliosaccharides (FOS - Prebiotics)
