Eureka Gold w' Chaff

Eureka Gold w'Chaff is an oats based full feed incorporating fibre. It is specifically designed for equine athletes and is ideal for horses engaged in racing, showjumping, eventing, campdrafting or other demanding activities. Eureka Gold w'Chaff contains chelated minerals and live yeast culture. It is fortified with honey, an excellent energy source. Honey is known to have antioxidant capacity which may enable it to play a role in reducing free radical levels. It is a rich source of natural vitamins, flavonoids, enzymes and phenolic acids.

Ingredients
